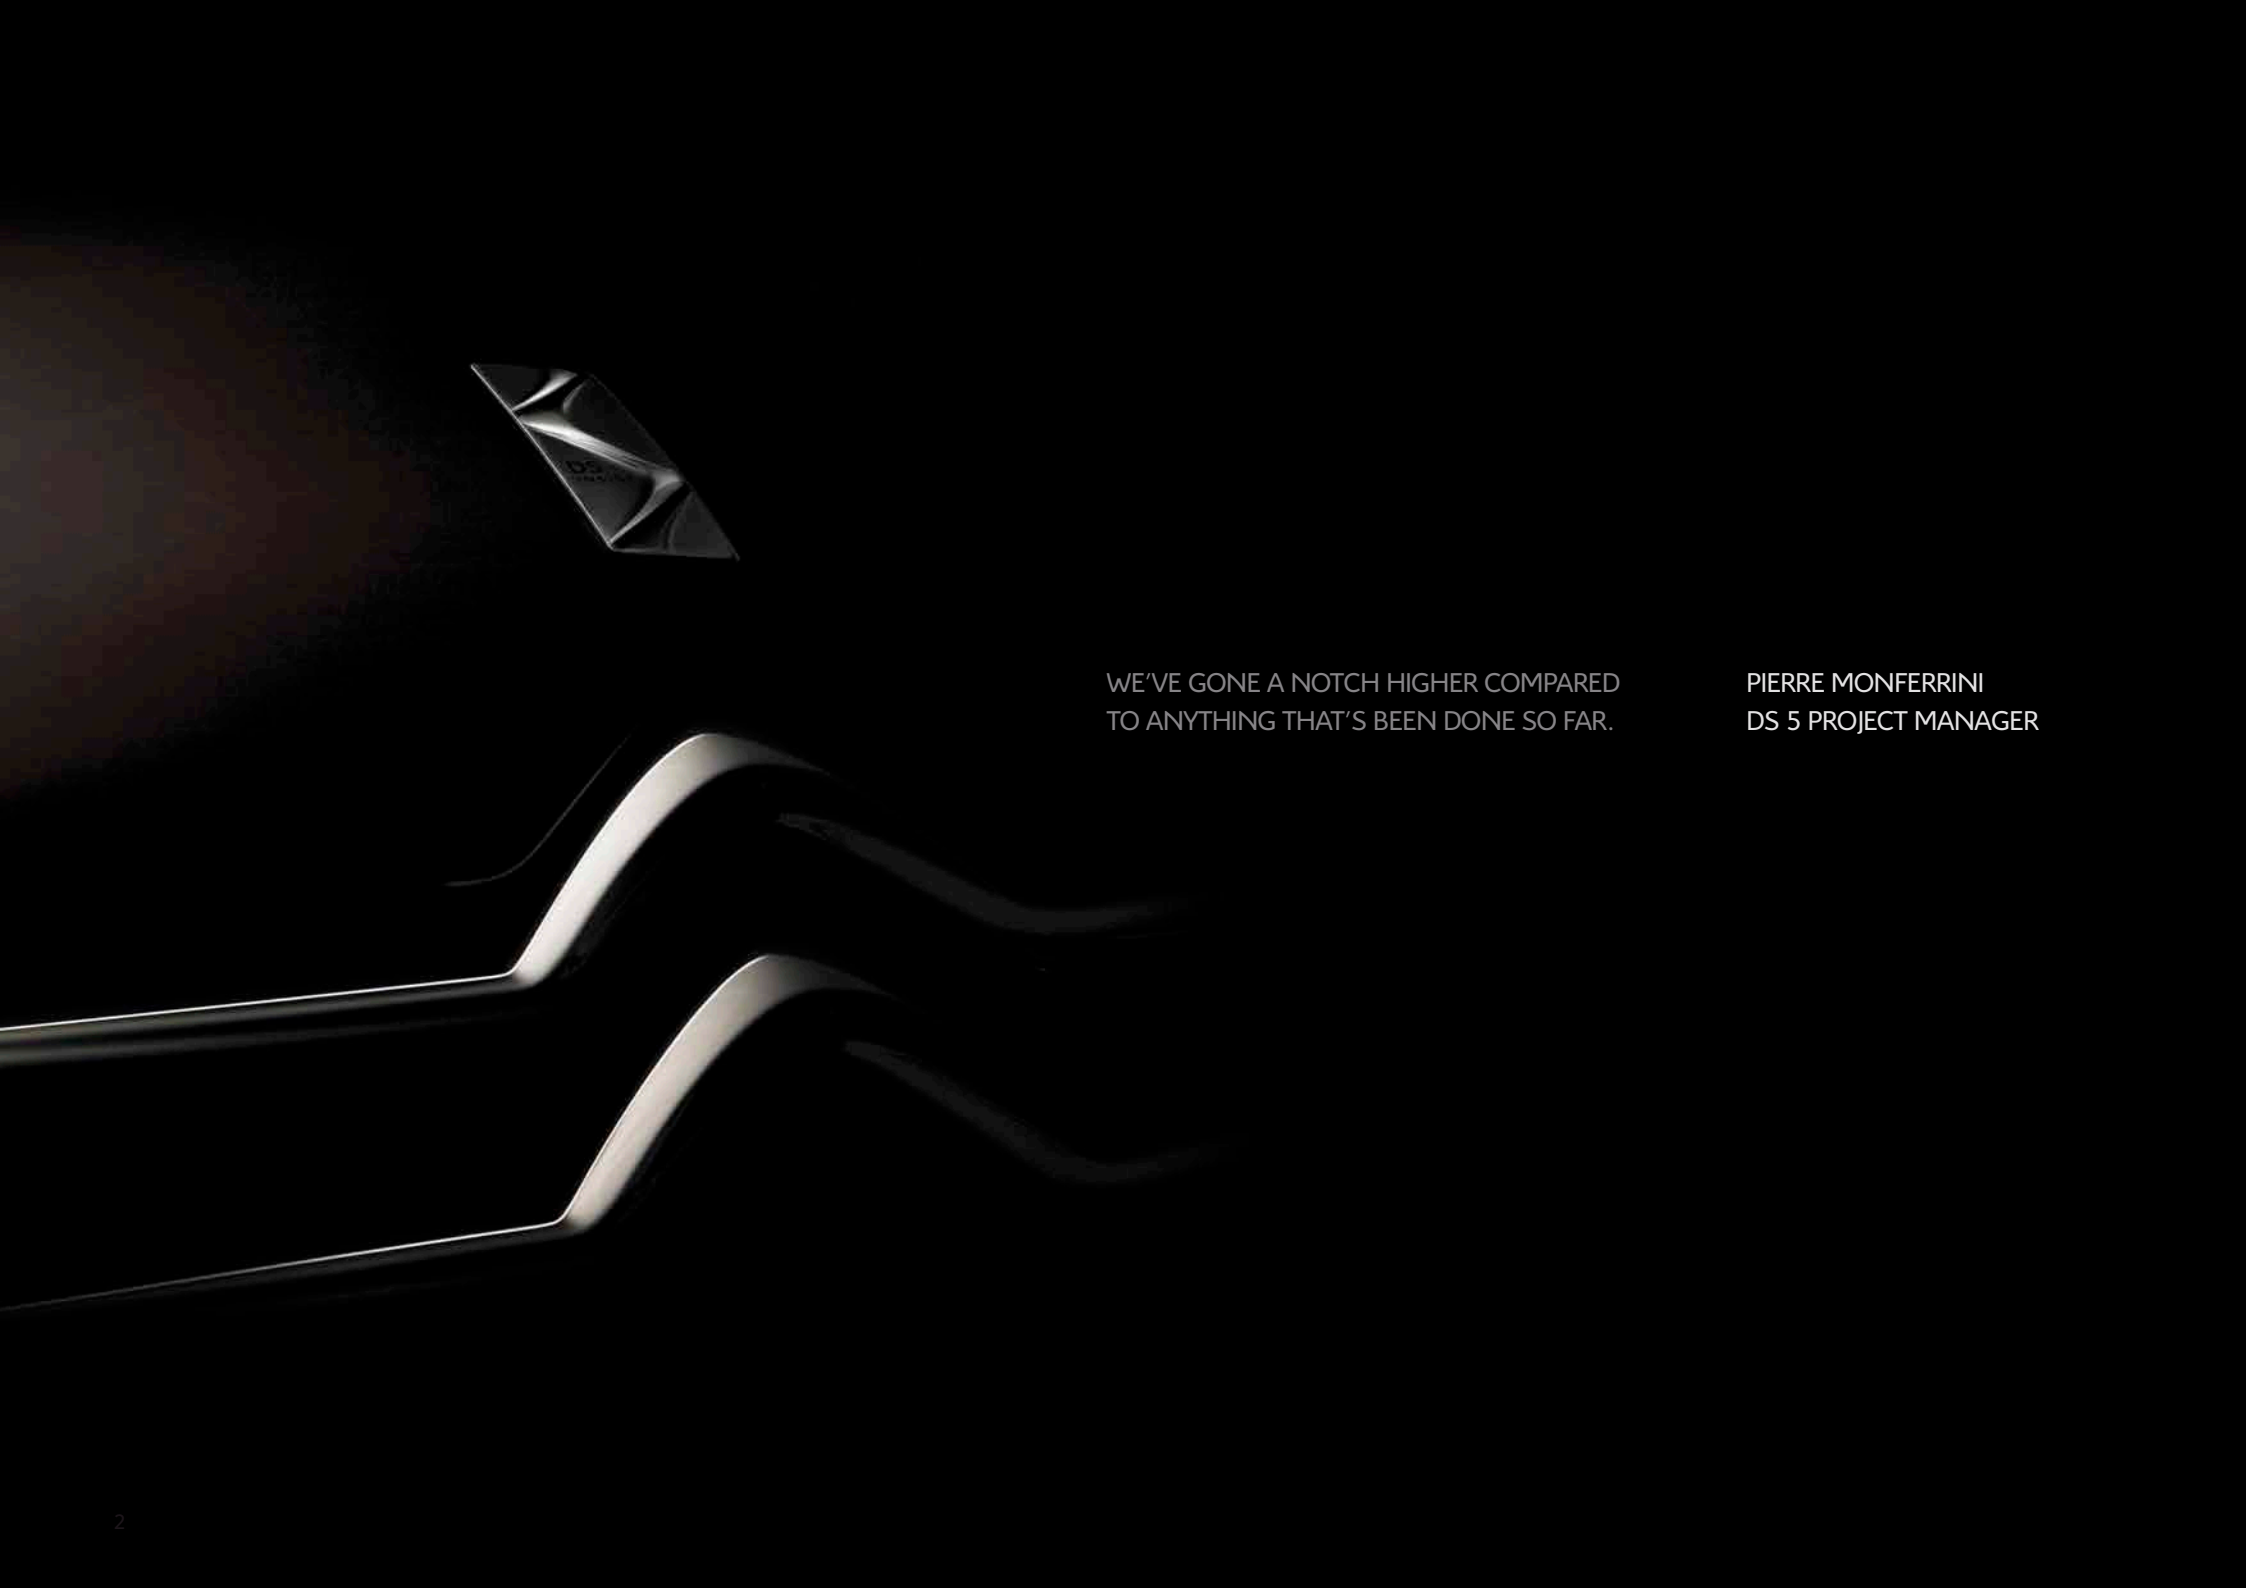
DS 5

CITROËN



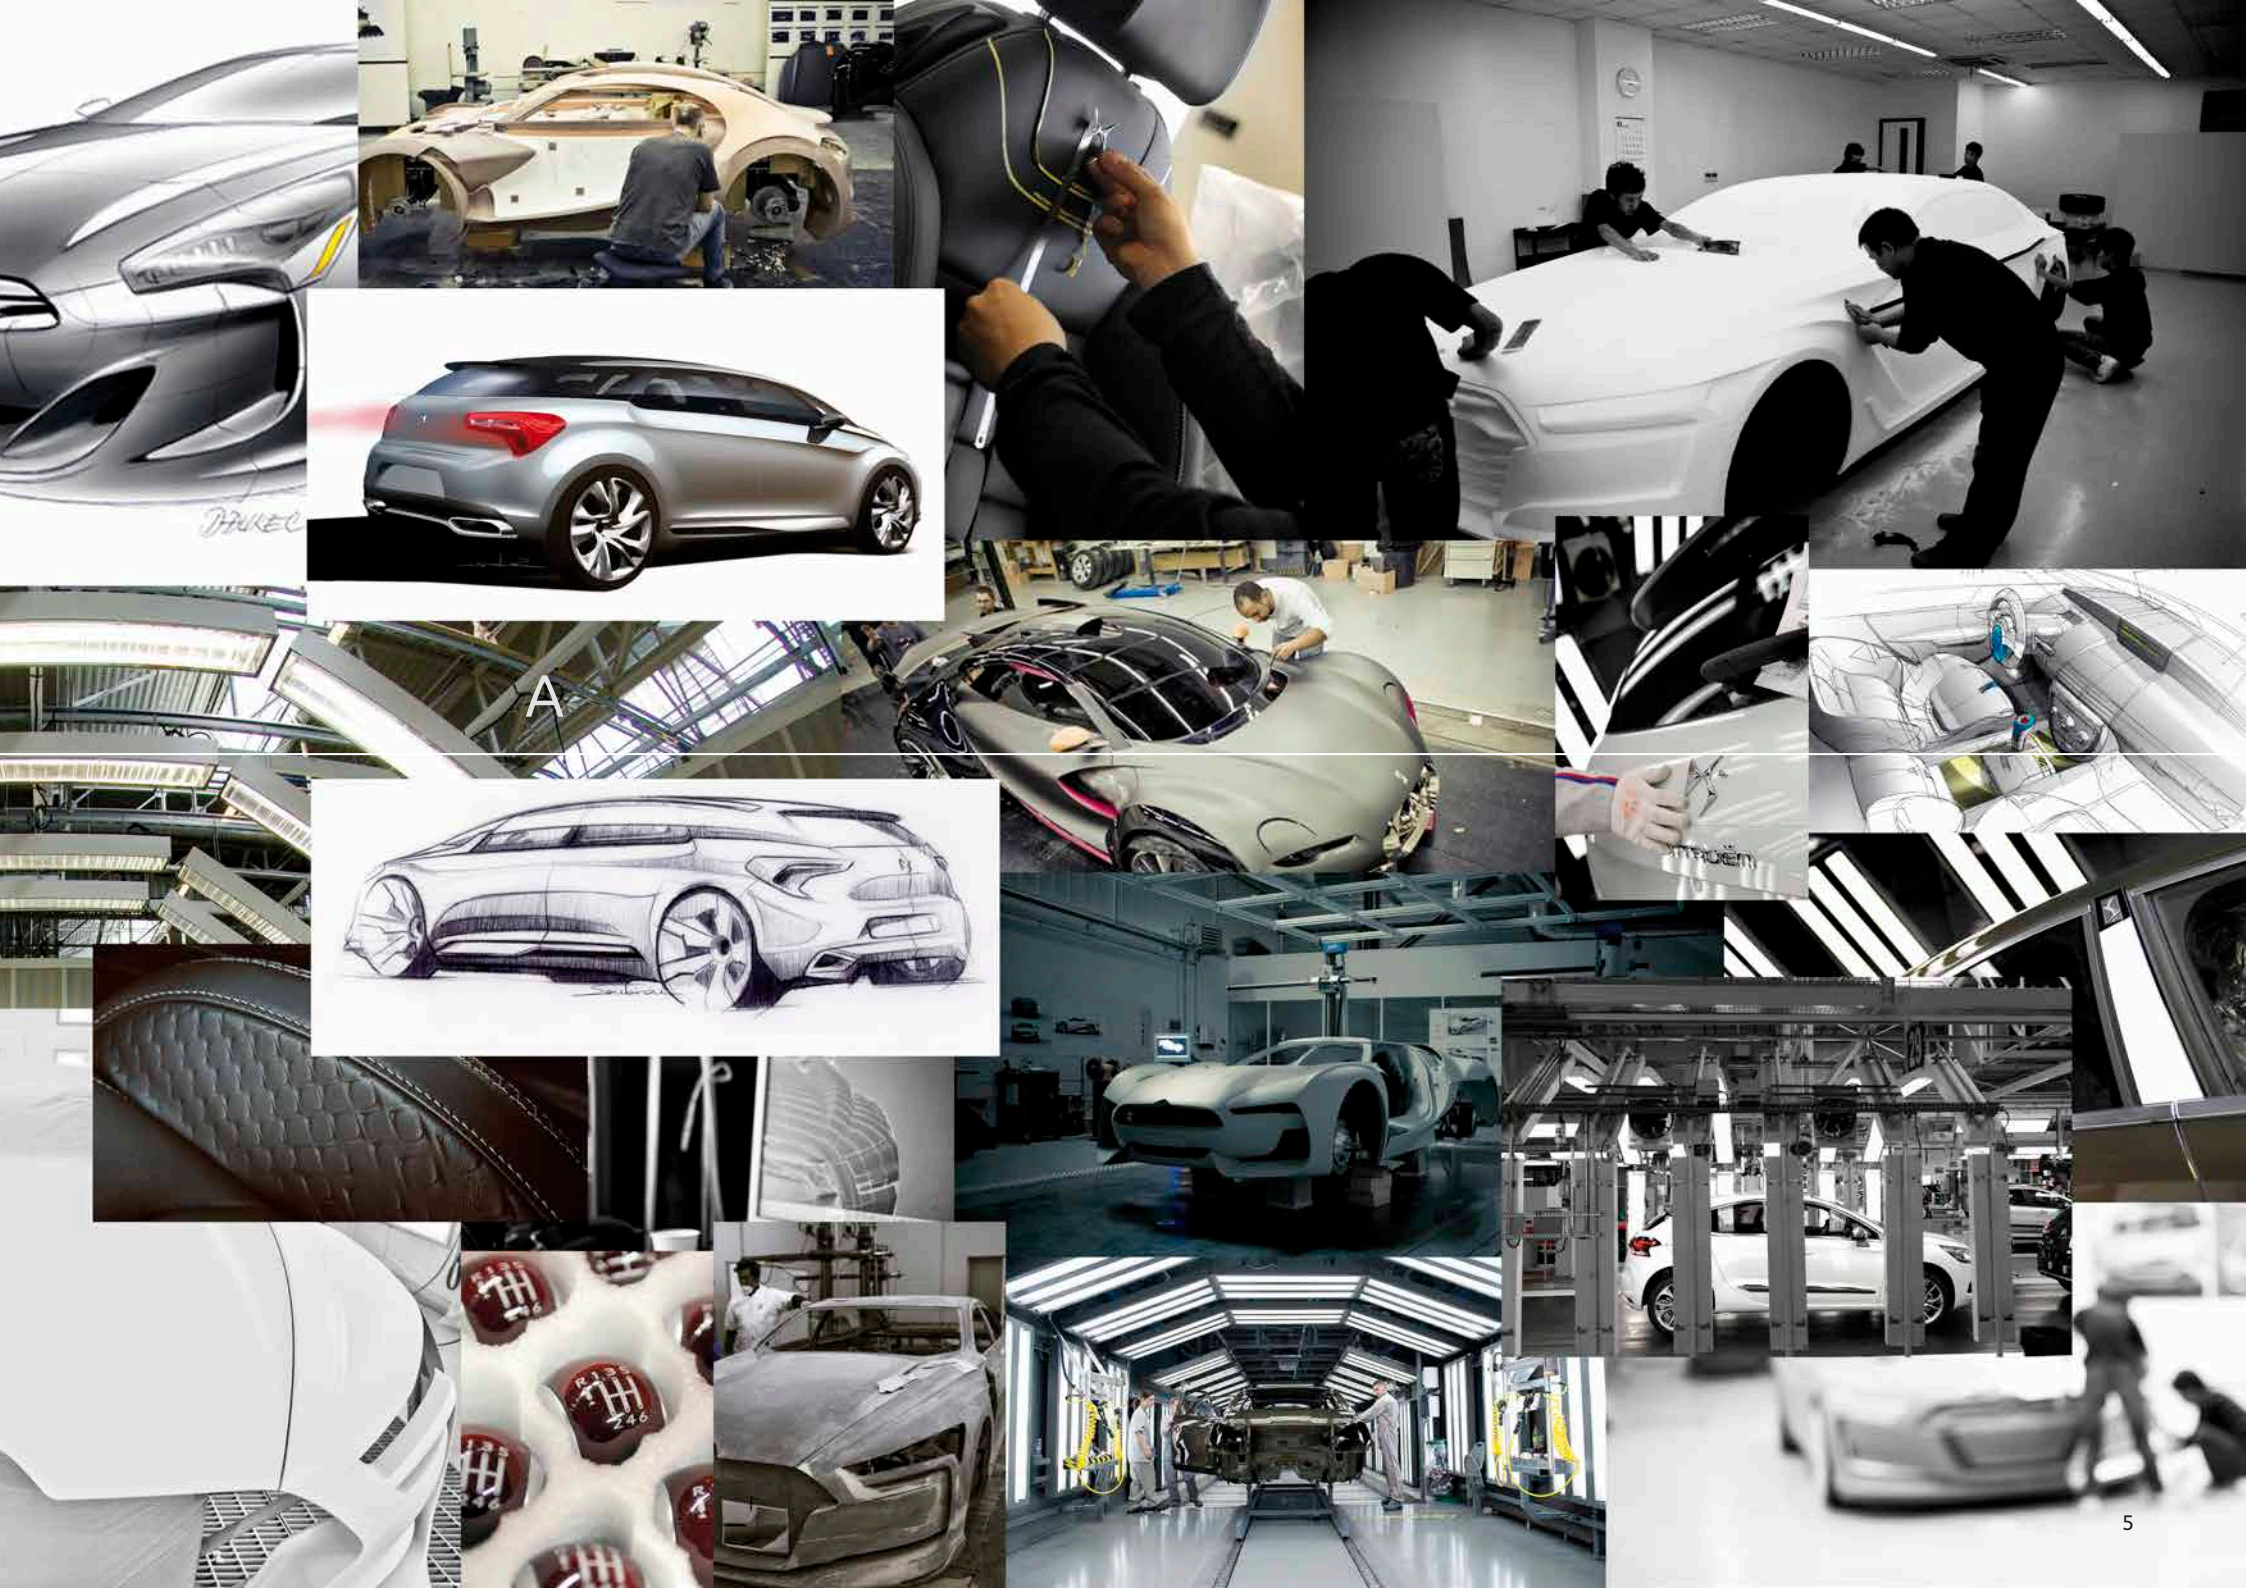
WE'VE GONE A NOTCH HIGHER COMPARED
TO ANYTHING THAT'S BEEN DONE SO FAR.

PIERRE MONFERRINI
DS 5 PROJECT MANAGER

D S L I N E

THE ARCHITECTURE EMBODIES THE
CORE ESSENCE OF THE LINEAGE.

FRÉDÉRIC SOUBIROU
EXTERIOR DESIGN MANAGER



A

DESIGN

A

PIERRE MONFERRINI
DS 5 PROJECT MANAGER

STYLE

DS 5 is a modern approach to the premium executive car, with distinctive, contemporary flair. It's a car that's very hard to categorise. It offers a new crossbreed of genres.

The interior perfectly matches the excitement triggered by the exterior, complementing the vehicle as a whole. It really is a great moment.

AUDREY AMAR
PROJECT LEADER

REFINEMENT

When you get into any car, you're just in a car. But, when you climb into DS 5, there is a clear expression of exclusivity and refinement.

In the cabin there's one button per function. Instead of searching for functions in menus and sub-menus, you just press a button to get the function working. It's very simple.

OLIVIER DAILLANCE
COLOUR AND TRIM STUDIO MANAGER

DETAIL

The leather used in DS 5 is outstanding. No other general manufacturer uses it. But we use it. We even used particle technology from the cosmetics industry. Some amazing things. Real chemistry.

We do our utmost best to maintain quality down to the tiniest detail in luxury style. In turn it's much harder to produce several copies while maintaining high standards than to do a one-off. Haute couture is a concept car. We industrialise haute couture.

YVAN AGLIANY
CHIEF ENGINEER HYBRID4

POWER

The Hybrid4 DS 5 project is the most interesting, inspiring project I've worked on in my entire career, filled with real, cutting-edge hybrid technology.

Hybrid4, is the world's first diesel hybrid engine. The combination of an efficient HDi diesel engine with electric power is most efficient for urban use. But the true satisfaction is in the final result, driving pleasure.

FRÉDÉRIC SOUBIROU
EXTERIOR DESIGN MANAGER

DESIGN

We started off with a form which we began to sculpt. Then the car gradually became polished, rounded, softened, like a pebble polished by water.

DS 5 is more compact, slightly higher than a normal saloon. Everything is condensed. It highlights the monolith aspect.

OLIVIER DAILLANCE
COLOUR AND TRIM STUDIO MANAGER

LUXURY

We've positioned DS 5 at the top end of the range, with a level of luxury never before seen. The subtle feel of the materials, dominates the soul of the interior. It transcends the driver's senses.

We scoured the world for the best producers, going to the USA to find who makes the finest metals used in today's luxury cars. For the leather upholstery, Bavaria's finest bulls were used to obtain this incredible suppleness which acquires this finish with time.

DS 5

RADICAL LUXURY. WELCOME TO A WHOLE NEW APPROACH TO PREMIUM. FLOWING, SLEEK AND ASSERTIVE, DS 5 HAS A DEPTH OF PROGRESSIVE TECHNOLOGY, FRESH DETAILING AND MATERIAL QUALITY THAT EXUDE FLAIR AND DRIVER FOCUSED DYNAMISM.

WITH A STRIKING YET SPACE EFFICIENT SPORTBACK PROFILE, STUNNING, LIGHT FILLED INTERIOR AND DS LINE'S FIRST FULL HYBRID DIESEL ENGINE, DS 5 BRINGS A RADICAL NEW PRESENCE TO PRESTIGE AND CONTEMPORARY LUXURY. AS EVER, THE DS LINEAGE USES INNOVATION TO SHAPE ITS OWN RULES.

› AWARD WINNING LUXURY

TopGear magazine crowned DS 5 with its 'Family Car of the Year' accolade as part of its coveted 2011 awards. The latest award comes from Diesel Car magazine, which crowned DS 5 the 'Best Large Car' in its 2012 Car of the Year Awards.

MOVING SCULPTURE. A GREAT DESIGN IS ALL ABOUT BALANCE: BETWEEN FLUIDITY AND TENSION, COMPACTNESS AND SPACE EFFICIENCY, BOLDNESS AND ELEGANCE. THEY'RE ALL PRESENT, IN STRIKING HARMONY ACROSS DS 5'S EXTERIOR.

BEAUTIFULLY RESOLVED AND UNIQUE DETAILS BRING THE EXTERIOR TO LIFE, FROM THE OVERSIZED AIR INTAKE AND CHARISMATIC DOUBLE CHEVRON GRILLE, TO THE REAR BUMPER, WITH TWIN EXHAUSTS INTEGRATED INTO ITS DESIGN. SWEEPING CHROME FINISHED 'SABRES' THAT FLOW FROM THE TOP OF EACH HEADLIGHT TO THE WINDSCREEN HIGHLIGHT DS 5'S PURITY OF LINE.

› UNMISTAKABLY DS

From every angle, DS 5 is undiluted DS. The subtly curved roofline merges into a sporty rear roof spoiler, and muscular wheel arches wrap closely around a choice of stunning alloy wheels.

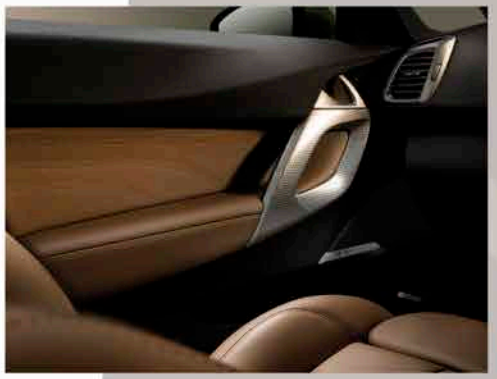
› LIGHT SIGNATURE

Vivid clear LED lights provide an unmistakable new signature for DS 5, underscoring the headlights in a dramatic curved line while encapsulating style with safety.

DS 5

DESIRABILITY IN DETAIL. THE MEANING OF RADICAL LUXURY IS CLEARLY EXPRESSED THROUGH THE MATERIALS, DETAILS AND METICULOUS QUALITY THROUGHOUT DS 5. IT'S A BLEND OF INNOVATION AND TRADITION.

SUPPLE LEATHER COVERS THE SEATS ON DSPORT VERSIONS, WHILE IN STYLISH CONTRAST, COOL BRUSHED METAL IS USED EXTENSIVELY, SUCH AS ON THE BEAUTIFULLY SHAPED DOOR HANDLES, AT THE BASE OF EACH HEAD RESTRAINT, ON THE VENT SURROUNDS AND CENTRE CONSOLE. EVERYWHERE, THE FINISH IS IMPECCABLE – EVERY STITCH AND CURVE MADE WITH OLD FASHIONED CARE AND ADVANCED TECHNIQUES.



INSIDE INSPIRATION. HERE IS A VERY SPECIAL PLACE: AN INTERIOR THAT MATCHES THE DRAMA, QUALITY AND PRESENCE OF DS 5'S EXTERIOR.

THE SPORTY DRIVING POSITION IS A GOOD VANTAGE POINT FROM WHICH TO ENJOY THE PERFECTLY PLACED BUTTONS, SCROLL WHEELS AND TOGGLE SWITCHES ARRANGED ON TWIN CENTRE CONSOLES, ONE SET LOW AND ONE ABOVE THE DRIVER'S HEAD, AVAILABLE ON DSTYLE AND DSPORT, AS IN AN AIRCRAFT.

PUSH THE START BUTTON AND THE DIALS SPRING INTO LIFE, AS AMBIENT LIGHT SUBTLY BATHES THE COCKPIT IN RED AND WHITE LIGHT. THERE'S AN AIR OF COMPLETE REFINEMENT, SUPPORTED BY SOPHISTICATED TECHNOLOGY THAT IS QUITE UNIQUE.

› LUXURY LEATHER

The stunning DS 5 interior has four different levels of leather to choose from, ranging from black leather with cloth for a sporty feel, to the ultimate in luxury, semi-aniline leather with DS embossing. Rest assured your DS 5 interior is a place you will love to be.

› TRADITIONAL INNOVATION

You could only be in DS 5. The beautiful, 'watch strap' seat design, optional on DStyle and DSport in Tan, Crimson or Criollo Semi-Aniline leather with DS embossing offers a special welcome and a new interpretation of luxury. Optional on the same versions, the dynamic range of 'Nappa' leathers with touches of Graphite, Ice White or Crimson provide an all-encompassing sense of quality and comfort.

› TIMELESS

Even the analog clock, standard on DStyle and DSport, optional on DSign versions, is highly distinctive and elegant. Like every interior feature it celebrates the seamless blend of contemporary and traditional quality.

SEAMLESS INNOVATION. ADVANCED TECHNOLOGY BEGINS TO WORK BEFORE A WHEEL IS TURNED. DSTYLE AND DSPORT VERSIONS FEATURE KEYLESS ACCESS & START WHICH RECOGNISES THE DRIVER AND A LIGHT TOUCH OPENS THE DOOR. A PUSH OF THE START BUTTON FIRES THE ENGINE.

ON THE MOVE, A COLOUR HEAD-UP DISPLAY, STANDARD ON DSPORT OR OPTIONAL ON DSTYLE VERSIONS, PROJECTS ESSENTIAL INFORMATION INTO THE DRIVER'S FIELD OF VISION, WHILE CONTROLS FOR CORE TECHNOLOGY SUCH AS THE AUTOMATIC DIGITAL AIR CONDITIONING, STANDARD ON ALL VERSIONS, ARE POSITIONED ON THE SLEEK, UNCLUTTERED CENTRE CONSOLE. THE EMYWAY SATELLITE NAVIGATION SYSTEM AND REVERSING CAMERA THAT'S STANDARD ON DSTYLE AND DSPORT OR OPTIONAL ON DSIGN IS ALSO SEAMLESSLY HOUSED HERE. YOU DON'T HAVE TO THINK ABOUT ALL THIS ADVANCED TECHNOLOGY, IT'S SIMPLY THERE FOR YOU.

digitalradio

› DIGITAL ON THE GO

Relax and immerse your senses in a whole new audio driving experience with the state-of-the-art digital radio. Enjoy many extra digital radio channels not available on FM, improved station selection and outstanding digital reception on DStyle and DSport versions (excluding Hybrid4).

› THE AUDITORIUM

Choose the optional 10 speaker Denon Hi-Fi and a digital amplifier will transform the interior of your DStyle or DSport (excluding Hybrid4) version into a moving auditorium.

› BLUE SKY THINKING

The cockpit roof on DStyle and DSport versions, has an integral control panel that features a series of beautifully engineered toggle switches. This overhead aircraft inspired design is perfectly positioned for clarity and control.

DS 5

ENVIRONMENTAL ADVANCES. DS 5 INTRODUCES HYBRID4 DIESEL TECHNOLOGY, WHICH COMBINES THE LATEST HDi DIESEL ENGINE WITH ELECTRIC POWER AND A HOST OF FURTHER INNOVATIONS. THE RESULT IS AN INSPIRED BALANCE OF PERFORMANCE AND EFFICIENCY.

THE 2.0 HDi DIESEL ENGINE PRODUCES 163HP, WHILE A SYNCHRONOUS ELECTRIC MOTOR FITTED TO THE REAR AXLE DEVELOPS UP TO 37HP. IN FOUR WHEEL DRIVE MODE THEY COMBINE TO PRODUCE 200HP, YET THIS EXTRAORDINARY FULL HYBRID TECHNOLOGY CAN ALSO ACHIEVE CO_2 EMISSIONS OF JUST 85G/KM WHEN 17 INCH ALLOYS ARE ORDERED. TO FULLY HARNESS THE CAPABILITY OF HYBRID4, THERE ARE FOUR SELECTABLE DRIVING MODES. 'AUTO' SWITCHES BETWEEN DIESEL AND ELECTRIC POWER TO OPTIMISE FUEL CONSUMPTION, WHILE 'ZEV' (ZERO EMISSIONS VEHICLE) MODE USES THE ELECTRIC MOTOR ALONE UP TO 37MPH. '4WD' MAXIMISES TRACTION USING DIESEL POWER FOR THE FRONT WHEELS AND ELECTRIC POWER FOR THE REAR, AND 'SPORT' BRINGS QUICK RESPONSES BY MAKING THE MOST OF BOTH POWER SOURCES.

› INTELLIGENT CHANGES

Hybrid4 works with an ETG 6-speed gearbox that optimises shifts for best possible economy.

› NO COMPROMISE HYBRID4

200hp and 85g/km CO_2 with 17 inch alloys… zero emissions or four wheel drive… sporty responses and the latest Stop & Start technology. Everything is possible using the different operating modes and incredible technology of Hybrid4.

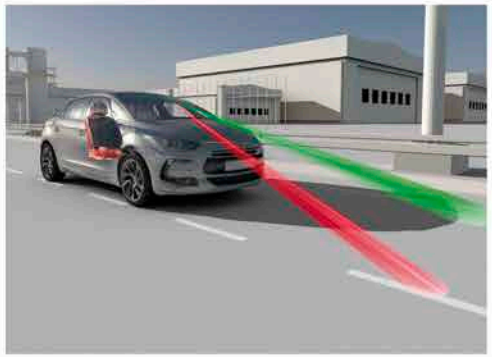
› INFORMATION IS POWER

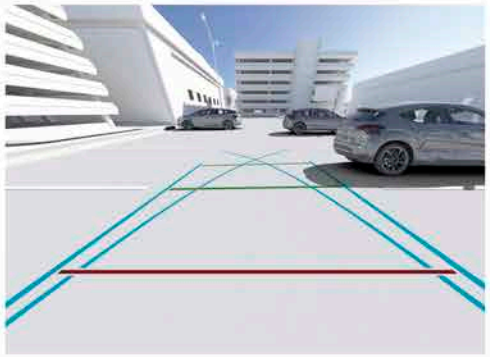
The large centre console screen will display the status of Hybrid4, so you know when you're running on zero emissions or four wheel drive, for example.

DS 5

NEXT-STEP SAFETY. THE PACE OF PROGRESS AND INNOVATION SET BY DS 5 IS VERY CLEAR WHEN IT COMES TO THE TECHNOLOGY OF SAFETY. THIS IS A METICULOUSLY PROTECTED AND REASSURING PLACE IN WHICH TO TRAVEL.

EXCELLENT HANDLING AND SHARP RESPONSES, PLUS ABS WITH ELECTRONIC BRAKEFORCE DISTRIBUTION, EMERGENCY BRAKING ASSISTANCE AND ELECTRONIC STABILITY PROGRAMME WITH TRACTION CONTROL ALL INSPIRE CONFIDENCE AT EVERY TURN. BUT IF YOU DO ENCOUNTER PROBLEMS, CITROËN ETOUCH, STANDARD ON DSPORT VERSIONS AND OPTIONAL ON DSTYLE, IS ALWAYS THERE TO HELP. IT PROVIDES COMPLETE 24-HOUR SAFETY SUPPORT, SEVEN DAYS A WEEK GEO-LOCATION AND EMERGENCY ASSISTANCE WHEREVER YOU ARE.





› ON CAMERA, ON TRACK

Optional as part of the Safe Drive Signature on DStyle and DSport, second generation Lane Departure Warning System (LDWS) uses a miniature digital camera to monitor lines on the road. When DS 5 is travelling in excess of 50mph, the LDWS warns the driver instantly if involuntary lane departure is detected.

› SPEED OF LIGHT

Also as part of the Safe Drive Signature, the powerful headlights provide automatic activation and deactivation of the high beams, responding instantly to traffic conditions, light levels and weather.

› PROGRESS IN REVERSE

Using a rear facing camera and the integrated satellite navigation screen, DS 5 brings a clear, colour rear view for safe and incident free reversing and manoeuvres. This is standard on DStyle and DSport, optional on DSign versions.

THREE DIMENSIONS OF CHOICE.

DS 5 LINE BEGINS WITH AN EXCEPTIONAL, HIGHLY SPECIFIED CAR AND BUILDS FROM THIS POINT.

DSIGN, DSTYLE AND DSPORT, ARE THREE DISTINCT VARIATIONS OF RADICAL LUXURY. THERE IS NO SENSE OF COMPROMISE, SIMPLY A PERSONAL CHOICE TO BE MADE.

› DS 5 **DSIGN** BLUEHDi 120 6-SPEED MANUAL WITH 16 INCH 'BAIKAL' ALLOY WHEELS

› DS 5 **DSTYLE** HDi 160 6-SPEED MANUAL WITH 18 INCH GREY 'CANAVERAL' ALLOY WHEELS

› DS 5 **DSPORT** THP 200 6-SPEED MANUAL WITH 19 INCH BLACK 'CAIRNS' ALLOY WHEELS

DSIGN
NEW STANDARD

A GLANCE AT THE SPECIFICATION BELOW WILL SHOW YOU THAT DS 5 DSIGN PROVIDES A SPECTRUM OF TECHNOLOGY AND EQUIPMENT THAT DEFINES A NEW STANDARD.

› DS 5 **DSIGN** SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Programme with traction control and Hill Start Assist function
- Driver's, front passenger's and front lateral and curtain airbags (including row 2)
- Cruise control with speed limiter and memory settings
- Front and rear electric windows
- Automatic dual zone air conditioning
- Front fog lights with cornering function
- Perimetric and volumetric alarm
- Automatic electric parking brake
- Automatic lights and windscreen wipers and electrochrome rear view mirror
- **Connecting Box** – Bluetooth® handsfree with USB socket
- LED Daytime Running Lights (DRLs)
- Lumbar adjustment on driver's seat
- Leather steering wheel with chrome insert
- Tyre pressure sensors

DSTYLE
THE FUTURE OF FLAIR

AS THE NAME SUGGESTS, DSTYLE SPECIFICATION BRINGS AESTHETIC FLOURISHES BOTH INSIDE AND OUT, BUT IT ALSO ADDS ADVANCED EQUIPMENT TO TRANSFORM EACH JOURNEY.

› DS 5 **DSTYLE** SPECIFICATION IN ADDITION TO DSIGN INCLUDES:

- Keyless Access & Start
- Cockpit roof with toggle switches and 3-part glass roof with electric sunblinds
- Black leather and black cloth upholstery
- **eMyWay with DAB digital radio** – satellite navigation, live traffic information, European mapping, reversing camera and rear parking sensors with RDS radio & MP3 CD player*
- Two sunglasses holders in cockpit roof
- Cup holder in rear armrest
- Analog clock

DSPORT
ULTIMATE INNOVATION

AT THE APEX OF THE RANGE, DSPORT IS A THRILLING ULTIMATE EXPRESSION OF THE DS LINEAGE. HERE, CUTTING EDGE CREATIVE TECHNOLOGIES CONVERGE.

› DS 5 **DSPORT** SPECIFICATION IN ADDITION TO DSTYLE INCLUDES:

- Citroën eTouch Emergency & Assistance system
- Black leather pack with driver seat electric adjustment
- Xenon Dual-Function Directional headlights with washer jets
- Front parking sensors
- Colour Head-Up display
- Carpet mats

NOW ADD YOU. DS 5 CAN BE CUSTOMISED IN SO MANY WAYS TO REFLECT YOUR EXACT TASTES AND MEET ANY DEMAND.

TO OPTIMISE THE BALANCE OF TECHNOLOGY, LUXURY AND STYLING CHOICES, THERE IS A SERIES OF THEMED SIGNATURE PACKS, WHICH WILL HELP AS YOU EXPLORE AND CREATE YOUR OWN COMPLETELY INDIVIDUAL DS 5.

› EMYWAY

A cutting edge colour satellite navigation system that features birdview mode and European maps stored on its internal memory. eMyWay integrates entertainment and safety technology, such as the reversing camera, using the system's large screen to ensure pinpoint manoeuvres every time.

› COLOUR HEAD-UP DISPLAY

Projecting clear, colour driver information onto a transparent 'blade' in the driver's field of vision, DS 5's Head-Up display adds to the sense of serene, innovative control.

› SAFE DRIVE SIGNATURE

The Safe Drive Signature includes the Lane Departure Warning System (LDWS) that uses a miniature digital camera to monitor road lines and warn the driver about involuntary lane departure. Whilst the smart beam headlights automatically activate and deactivate the high beam lamps according to traffic conditions.

85.6mpg
on Hybrid4 200 DSign*

85g/km CO_2
on Hybrid4 200 DSign*

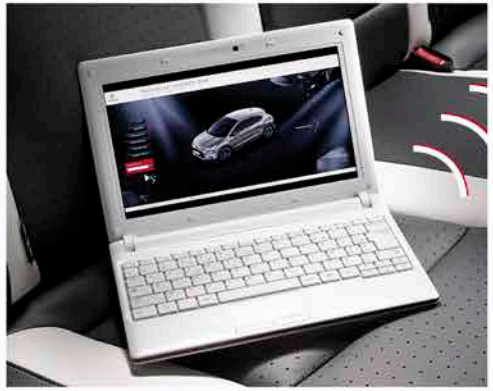
* Applies when optional 17 inch alloy wheels are ordered.

MPG figures are achieved under official EU test conditions, intended as a guide for comparative purposes only, and may not reflect actual on-the-road driving conditions.

ACCESSORIES FOR FINE TUNING.

THE SHEER VERSATILITY OF A DS 5 MEANS THAT ITS SPECIFICATION CAN BE SHAPED TO EMPHASISE PARTICULAR STRENGTHS WITH EASE. OR YOU MIGHT JUST WANT TO MAKE IT EVEN MORE HEAD TURNING.

FROM DRAMATIC ALLOY WHEELS TO ROOF BARS AND BOXES, GENUINE DS ACCESSORIES COMPLETE YOUR PICTURE.



› WIFI ON BOARD

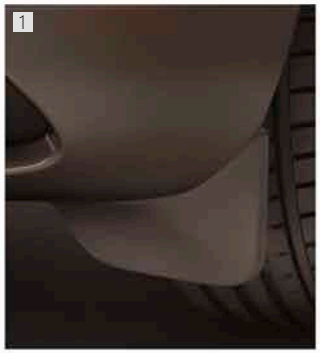
DS's new 'WiFi on Board' system creates an in-car wireless network, allowing simultaneous internet connection for multiple WiFi devices such as laptops, smartphones and game consoles.

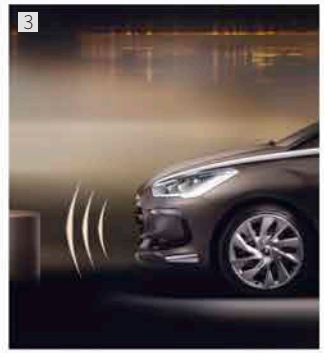
Requires a 3G/3G+ SIM, which is not included.

› DIGITAL RADIO

The New Citroën Ezi-DAB has been designed to upgrade your existing car stereo to receive outstanding digital reception. Enjoy many extra digital radio channels and be ready for the digital switch over.*

* Suitable for Hybrid and DSign versions.





› **1** MUDFLAPS

Contoured front and rear mudflaps protect bodywork and enhance safety in poor weather.

› **2** ALLOY WHEELS

Add your personal touch with our alloy wheel range. These alloys have been designed and developed featuring a bold design with clean lines. Alloy wheels are one of the few parts that can profoundly affect a vehicle's appearance.

› **3** PARKING SENSORS (FRONT & REAR)

Parking becomes stress-free with DS's front and rear parking sensors, which are subtly integrated into your new DS 5's bumpers.

› **4** BODY COVER

Keep your new DS 5 as clean and new as the day it left the showroom.

› **5** TOWBARS

DS towbars have been developed to ensure the highest standards of safety and strength.

› **6** ROOF BARS

DS traversing roofbars are designed to match the contours of your new DS 5 and can be used with DS bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUEL-EFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL…

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND ETG GEARBOX. STOP & START PUTS THE ENGINE INTO IDLE MODE AS YOU DECELERATE AND STOPS ALTOGETHER AS YOU COME TO A HALT. THE MOMENT YOU TAKE YOUR FOOT OFF THE BRAKE, IT RESTARTS SILENTLY AND WITHOUT VIBRATION. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO_2 EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Efficient Tronic Gearbox (ETG), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

› PURE TECHNOLOGY

Demonstrating Citroën's commitment to Créative Technologie, PureTech engines provide increased power with lower fuel consumption and emissions by adopting a smaller and lighter three cylinder configuration constructed of pressure-cast aluminium. In conjunction with low friction component coatings, improved air and fuel flow and optimised combustion, this allows engines to offer more power, better fuel economy and significantly lower CO_2 emissions.

All Citroën vehicles are designed to be 85% recyclable.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW DS 5, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN **FINANCIAL SERVICES**

PURCHASE PLAN
Own your vehicle with this flexible package designed to fit your budget.

ELECT 3
A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4
Enjoy the convenience of a new car without the stress and hassle of ownership.

TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN **CONTRACT MOTORING**

HIRE PURCHASE
A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE
An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE
Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE
A non-ownership finance solution that keeps costs fixed and risks low.

FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT WWW.CITROEN.CO.UK/FLEET

CITROËN **INSURANCE**

INSTANT COVER
To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

MOTOR INSURANCE
Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Ltd which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

CARE FOR YOUR NEW DS 5 AND IT WILL LOOK AFTER YOU – LIKE EVERY DS IT'S PART OF LEGENDARY ENGINEERING HERITAGE WITH RELIABILITY BUILT IN.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN **WARRANTY**

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN **ASSISTANCE**

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN **MAINTENANCE**

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN **SERVICING**

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

› HYBRID4

The innovative Hybrid4 seamlessly combines a 163hp diesel engine with a 37hp electric motor, to develop a maximum 200hp, yet produces emissions from just 85g/km CO_2. Maximum fuel efficiency is achieved thanks to the latest Stop & Start system, an ETG 6-speed gearbox with optimised shifting and Power Train Management Unit. Hybrid4 provides the choice of four wheel drive performance when using both diesel and electric, front wheel drive diesel power or zero-emissions electric rear wheel drive up to 37.5mph.

› e-HDi DIESEL ENGINE

The e-HDi 115 ETG6 engine is capable of 65.7 mpg and CO_2 emissions of just 112g/km combined with the ETG gearbox. It has a reversible starter-alternator that works in tandem with an e-booster to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

› HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Citroën's HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO_2 emissions.

› PETROL ENGINES

Part of Citroën's range of state-of-the-art engines, THP petrol powertrains are friction optimised and benefit from an inlet camshaft variable valve timing system that constantly measures the pressure on the accelerator and precisely regulates the quantity of air entering the cylinders. VTi engines boast advanced variable inlet valve lift and exhaust camshaft variable valve timing systems whilst THP engines are turbocharged. This guarantees outstanding efficiency and allows for immediate response with plenty of low range torque available.

› CITROËN ETOUCH EMERGENCY AND ASSISTANCE SYSTEM

In the event of an accident or sudden health problem, one push of the 'SOS' button will instantly contact the emergency services. If there's a more serious incident, SOS activates automatically. After a breakdown, one push on the 'chevron' button will alert Citroën Assistance, sending both location details and an initial fault report.

› CONNECTING BOX

Integrated Bluetooth® hands-free phone function with USB socket and jack to plug in a portable MP3 player.

› EMYWAY SATELLITE NAVIGATION SYSTEM

The eMyWay colour satellite navigation system features a 7" screen and covers UK and Europe. Its in-built memory provides information about speed limits and lets you know which lane to use when reaching complex intersections. The system also lets you adapt your route based on traffic conditions, with data provided by Trafficmaster and ViaMichelin in the UK and France.

› ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. DS 5's ABS system is further enhanced with EBA and EBD.

› ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

› EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

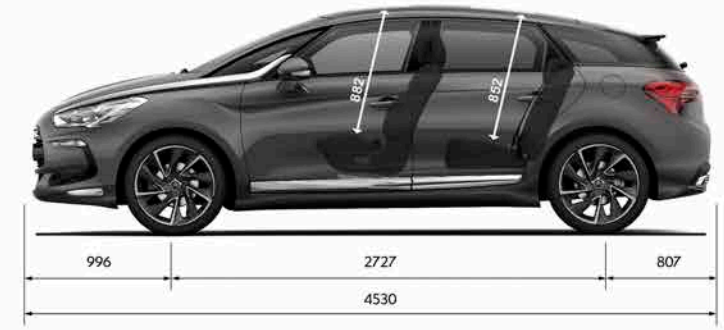
› ELECTRONIC STABILITY PROGRAMME (ESP)

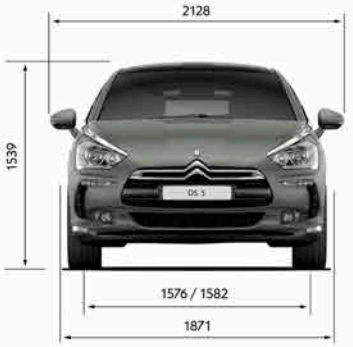
This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

› ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On DS 5, Isofix is installed on the outer rear seats.

DIMENSIONS





All measurements are in millimetres.
